Great for soft toys

Very easy yarn to work and makes the softest toys :) Took just a little bit to get used to it, but once you get the hang of it, easy to work. Also does not fall apart like another yarn that is similar that I tried previously. Overall a great yarn.

✓ Yes, I recommend this product.

I've been looking for this color for a long time with this yarn and i finally found it. This yarn is always hard to work with but the finished product is always really cute. Counting stitches feels like you gaslight yourself with the amount of times you have to recount the row.

✓ Yes, I recommend this product.
